DONOVAN TAKES LOOK AT DURHAM

Providence Manager Impressed With City and With Many Advantages Offered.

Trinity College, Durham, N. C., January 13.—That the baseball diamond on Trinity's campus may become the training ground for Wild Ruff Donovan's aggregation from the Providence team in the International League this spring seems, at the present time, very likely. The big baseball man has been in Durham for several days, just looking over the situation here, and when he left Saturday for his home in Detroit, he expressed himself as being very much impressed with the city and the diamond at the college. He promised to do all that he could to get the Providence team to come to Durham for the spring training.

Mr. Donovan and some of the fans of the city made a tour of inspection Saturday, going to the hotel and coming to the Trinity diamond. The college diamond has been offered to the Providence team as an inducement to get it here. Mr. Donovan expressed himself as having found everything around the city and on the campus just as had been represented to him in the letters that had been written to him about the accommodations that his team could get here. The hefty pitcher remarked just before leaving that he would tell the facts to Mr. Navin, the owner of the Providence team, just as he found them, and said that he thought it almost a certainty that local fans would have the opportunity of seeing the International League in action.

Complete arrangements have been made for the accommodation of the team, both at the hotel where they will take their meals and at a private house, which will be given them free of charge by the fans, and all that remains is the decision that they will come here. The big pitcher was much pleased with Trinity's diamond, and especially the additional features of the gymnasium and the shower bath. He was also very much pleased with the offer of the Y. M. C. A. of the use of their gymnasium during the rainy days. This will be very convenient, for it will afford them an excellent opportunity to limber up without coming to the college.

LYNCHBURG MAN TO HAVE HEARING

E. J. Doyle Suspended by National Trotting Association, Will Seek Vindication.

Lynchburg, Va., January 13.—E. J. Doyle, a local horseman, who was suspended by the National Trotting Association on the charge of racing Arthur J. 200, under the name of Gerolamo in green paces, has been ordered to appear in court to-day to have a hearing by that body in May.

Mr. Doyle claims he has evidence in his possession to disprove the charge and in addition to this he charges that he was suspended without a hearing, that he was preparing to resist it when he saw in Associated Press dispatches that he had been expelled. The case took place early in December, since when Mr. Doyle has been very actively at work to secure vindication.

TRINITY WINS IN FIRST GAME

Defeats Durham Y. M. C. A. at Basketball in Fast and Rough Game.

(Special to The Times-Dispatch.) Trinity took the first game of varsity basketball played on the local floor this season by defeating the Durham Y. M. C. A. Christian Association by the score of 28 to 23. In almost every respect the game was the roughest and perhaps the best seen here in many a day, time being called half a dozen times to doctor fouls.

Trinity took the lead in the beginning by throwing a foul shot, and held it throughout the first half. By a wonderful rally after playing had been resumed the Young Men's Christian Association quickly tied the score and gained the lead. During the second half the entire last half the lead alternated, and the final score was in doubt until the firing of the pistol ended the struggle.

Poulsen Wins Match.

(Special to The Times-Dispatch.)

Bristol, Tenn., January 13.—Jim Poulsen, the Greek, has won his third match in succession here to-night by won two three games from Jack Ouse, the Turkish. Poulsen won the first fall in forty-five minutes, lost the second in twelve minutes, and won the third in five.
